Across Oliver's Desk

Hi everyone, school council had their first meeting last week, which was both informative and enthusiastic in terms of the many ideas that were put forward. I congratulate Kate Russel on again being elected as our school council president and Kylie Davey as our vice president. I look forward to working with our council so that we can continue to make our school the best it can be. This week we should be getting our new school signs sponsored by Barry Plant. One of the boards will advertise our 2018 prep parent information evening and the other is going to be a more permanent board advertising our school! Thank you to Mary Menta for organising this.

AUTHOR VISIT

Last week we were lucky enough to have Frank Glew, a Canadian author visit the school and speak to our 3/4 students. He spoke to the students about how he organises his ideas before writing and spoke about the importance of communicating a message well. Frank writes his books about animals and uses his knowledge as a scientist to make sure that each book has a message in it about the environment. I would very much like to thank Frank for volunteering his time.

HAT CORDS

I would like to thank all the parents that have either cut off the cords from their child's school hat or have sent a letter giving permission for the teacher to do so. I do believe the cords are dangerous and I really hope that the Education Department mandates that they are to be removed.

Continued

OXFAM TRAILWALKER

Once again this year we are continuing our excellent relationship with Oxfam by allowing our school to be a checkpoint for the event. This event is a major fundraiser for our school, but as an event it is also a high profile international fundraising event. Oxfam Trailwalker will be held over the weekend of 7-9th April, commencing in Wheelers Hill and finishing at Wesburn Park. We have had fantastic parent support in the past and we are looking for help again with running the BBQ. If you can give up some time to help please contact myself or Mrs Menta.

PLAYGROUP

Andre, Carol and Veronica are again running our Woori playgroup sessions on Tuesday afternoons. It is a fantastic initiative by the school and we hope to see it grow even further. Some of the activities on offer include: singing (what a voice Andre has, if you love playschool come and see Andre in action!), construction, painting, free play, sandpit play, and playing on our playground equipment. All are welcome and it's totally free. If you have a toddler come along and enjoy the wonderful Woori welcome and Andre's voice!

ELECTIVES

Our recess and lunch time electives have begun and are going well. Some parents have asked me to clarify the iPads option on a Friday. On Friday's students can either use one of the school's iPad's or students can bring their own device, the session will happen every Friday lunch time! Teachers will change what they offer as electives during the middle of next term. Junior School Council advises the teachers on activities they would like to see offered.

A GREAT ACHIEVEMENT

Late last year AITSL, Australian Institute of Teaching and School Leadership, conducted a case study on our school, the report will be ready in a few weeks and I look forward to relaying the information to our school community. AITSL only conducted 11 case studies last year throughout all of Australia and only 2 in Victoria, of which we are one. I think it's fantastic that our school is getting the recognition it deserves.

HOUSE SPORTS

On Thursday 30th of March we will be running our jumping/throwing sports for all year levels. A note about the sports will go home next week.

SWIMMING

Last week I had the privilege of visiting some of the groups that went swimming. I have been really impressed by the program run at the Yarra Centre regardless of each individual's ability. When I was at high school (a long time ago) I was a member of the school's swim team. What our top two groups were doing was very impressive.

CHAMPS / HIGH EXPECTATIONS AND RESPECT AWARDS

Parents, teachers and students have all given feedback that because of our rapidly growing school, assemblies on a Monday morning are taking too long and are eating into learning time. To make assemblies go a little quicker we have decided to combine the champs and high expectations award into one award. The award will now be called, 'The Woori MVP award'. Most valuable person of the week. We will still continue with writer, reader, speller and mathlete of the week.

Quote of the Week – “I really like it here except that in Queensland you don’t have to wear shoes all the time. Chelsea Brooks grade 3/4B.”

And remember when life gets a little difficult escape to the wonderful world of a book!

Helping Children Soar

Week 7 Already!!!!

It's been great to meet families at the beginning of the day with most people looking forward to the day ahead. Now that children and families have settled into the rhythm of school routines there is a wonderful heartbeat across all the classrooms. Many parents comment to me that their child shrugs their shoulders or gives minimal responses when they ask them how their day was. Please consider the language you use and be more specific.

- Tell me something you liked doing today?
- Tell me something you didn't like doing today?
- What are you looking forward to tomorrow?

The second question is important. As adults there are things that we need to do even though we don't like the thought and we find ways to deal with these appropriately. For children all learning experiences are building of prior knowledge. Particularly when children find a learning area challenging, this question can give you the insight into how they are coping and you can have a reassuring conversation. Personal challenges are very powerful mind blocks so being aware and talking through concerns will really help your child know that you are supporting them. These conversations will plant the seeds in their minds that will add to their character strengths including resilience, working tough and working through. A problem shared is a problem halved!

Parent Helpers

There are many ways parents and carers support us at the school and many hands make light work! We are grateful to all the adults who give up their time to help us with the many valuable behind the scenes jobs! Many thanks to everyone who helps listen to the children read, changing readers, supporting groups in math rotations or in the classrooms, helping in our Breakfast program and our Playgroup (only some of the ways!). If you can spare a little bit of time or if you are willing to help out by washing some of our second hand uniform there are many ways to make a difference and help. Please see myself or staff if you are interested!

Parent Education Websites

There are many websites offering tips to help parents manage everyday needs and home concerns. Kidspot (Aust) is one that I found that brings you the tools, tips and advice to help you handle the most common school obstacles ranging from routines, school budgeting, developing organisation through to head lice control. Please have a look at- <http://www.kidspot.com.au/>

On the Raising Children website, parents will find reliable and scientifically validated information and resources to support them in the day-to-day work of raising children and looking after their own needs. The website is growing all the time and covers a broad range of up-to-date parenting topics- <http://raisingchildren.net.au/>

Head Lice Health Report

I ran our whole school screening program and we had the best results ever! I have to say I was stunned given the severe outbreak we had last year and my data suggested it was going to continue into 2017. In total, 253 children screened and our results were-

Nits-20

Live lice-10

Total infestation-20

I'm thrilled that by working together we have achieved an incredible result! Thank you so much parents for monitoring, treating and notifying us. I will continue to promote future screening dates on all lice alert notices that go home. I really hope we can maintain these results into next term. I will book Julie the Shire of Yarra Ranges nurse to come back next term.

Lisa Tanner in our Before & Afterschool Care program sells a product called, "Nit Free for Me" which helps tame frizz and fly away hair. A number of parents have confidence in this product so please speak to Lisa if you are interested.

As with many common childhood illnesses, head lice are spread so easily because when children play together they usually have very close contact. When children play closely or cuddle each other it's easy enough for a louse to, literally, walk from one child's hair to another. Generally speaking, the longer the hair the greater the chance a child has of getting head lice. I encourage all families to continually monitor and treat your children.

Please remember if any parents have any questions or need advice about head lice and treatment options please see me. Through our screening process it appears to be an ongoing issue where some children identified are not being treated effectively. The only way to stop lice from reinfesting is to stop their cycles, so repeat treatment and removal of the eggs is your only option.

For additional information please go to-

Icy-pole Grade 6 Graduation Fundraising Drive

I have to say there are a lot of smiles at lunchtime and afterschool, especially on these hot days the icy-pole sales are going strong! We would like to thank all parents for supporting the school with buying and supplying icy-poles AND giving your child \$1.00 to buy one. All proceeds go towards the Grade 6 Graduation dinner and 2018 grade six uniform.

Activities at Recess & Lunchtime

2017 Intervention Programs

We offer a number of programs that help strengthen student learning outcomes-

- LLI
- Fast for Word
- Quick Smart Literacy
- Quick Smart Numeracy

Attendance & Absences

Schools are required to work towards IMPROVING THE ATTENDANCE and PUNCTUALITY RATES of our students. We encourage all parents to call the office when your child is going to be away. Also a note explaining their absence is required.

Don't forget about second hand uniform!

Veronica and I accept and appreciate all second hand uniform donations. Thank you to those parents for the donations of spare clothing. We regularly assist children with toileting accidents and we are desperate for small sized girl's underwear and socks. We try hard to avoid asking parents to come down to change their child so any donations will help out enormously. We also ask parents to provide your child with a change of underwear in their bag. All funds raised support our school breakfast program. Your generosity allows all our children to have a healthy start to the day. Keep them coming!

Food Bank Victorian School's Breakfast Program- Breakfast Club Tues & Thurs at 8am

A good breakfast can not only change a child's morning it can make a big difference to their learning and behaviour. Unfortunately 1 in 7 Australian children arrive at school each day without having had breakfast (Australian Bureau of Statistics, 2013). We are lucky to have been chosen to be one of the 500 schools across Victoria that receives breakfast staple foods including oats, wheat bix, canned fruit, UHT milk and baked beans. This program will strengthen the resources we have to run our Breakfast Program. Don't forget, Breakfast Club at school on Tuesdays and Thursdays in the cooking room from 8:15am! All are welcome.

Playgroup Tuesday's 1:30-3:00pm Multi-purpose Room

Welcome everyone, our starting time is at 1.30pm, but please don't be put off coming if you can't get here in time - just come when you can! State School Relief

We can help families who are experiencing financial hardship to purchase school uniform. Please see me for assistance.

Staff Car Park

Particularly in the mornings it would help staff enormously that parents please park in the public parking areas. Parents can also park across the road (in the service road area).

Our school proudly has a partnership with Interchange where we support a sibling respite program in the cooking room on Thursday's afterschool.

INTERCHANGE OUTER EAST (IOE) is a non-profit, community based organisation which supports families who have a child or young person with a disability, living in Melbourne's outer eastern regions of Knox, Maroondah and Yarra Ranges.

Through offering a range of programs and services, Interchange opens opportunities to families and allows them the choice of how this support is provided. If you are looking for further information or you know someone here in the Yarra Valley please see me or contact-

School Tips

- Support your child with schoolwork and school life. Show interest by asking what your child has done during the day, what homework they are working on, and whether they need any help.
- Get involved in school life, through parent-teacher interviews, helping out in the classroom, or volunteering in the many projects and activities running at school.
- Focus on your child's strengths and the effort they put in. Praise your child for what they're good at, and let them know you're proud of them for trying things they find difficult.
- Talk with the teacher/staff to find out how your child is going. A good relationship between school and home will ensure the best outcomes for your child.

Good Luck !

Chaplain's Chat

A sure certainty is that at some stage of our life, we will face being hurt by others. When we have been hurt, we will experience pain, suffering and feelings of betrayal and loss. To ensure we don't stay stuck in the pain, hatred and bitterness, it is important that we work through these emotions.

A key to helping us live in freedom from people or events that once hurt us is forgiveness. Without the practice of forgiveness, we are likely to become bitter, but bitterness eventually affects every part of us and the people around us.

We are sadly mistaken if we think that holding onto bitterness and resentment hurts those who hurt us. In truth, it keeps us chained to them and means we become their victim. Nelson Mandela, who spent 27 years in prison, made the choice not to remain bitter at his mistreatment. He so wisely said, "Resentment is like drinking poison, then hoping it will kill your enemies."

It takes courage to face our past hurts and deal with the discomfort and pain. Forgiving is a sign of strength and that brings release and healing; it doesn't let those who have hurt us off the hook and it doesn't mean denying our feelings over what has happened. It does, however, give us the power and freedom to redefine who we are, from victim to victor. Forgiving someone doesn't mean that they are free from being responsible for what they have done; it means acknowledging the offence, but no longer feeling the need for revenge.

Forgiving doesn't automatically mean the relationship is instantly healed; it usually takes time to rebuild but forgiveness can be the start of your personal healing. It also doesn't necessarily mean reconciling, because sometimes reconciliation is not possible. It takes two willing people to reconcile, but only takes one to forgive. Some good advice to follow is, don't wait to 'feel' you are ready to forgive; it is a decision we make because it is the best choice to make.

Forgiving is definitely a process. Wounds take time to heal and there will always be a scar that remains, but eventually they won't cause as much pain as we learn to move forward.

Blessings,

Veronica
